Re: SETU Committee on Political Education  
ID No. 000004036  
August 2000 Monthly Report (8/1/00-8/31/00)

Dear Mr. Ciaraldi:

This is in response to your letter regarding the Service Employees International Union's Committee on Political Education ("COPE") August 2000 monthly report. Your letter lists a number of errors that were made in completing the report and states that the House Democratic Campaign Committee, which is listed as a recipient of one of the contributions on the report, does not appear to be registered with the Commission.

We are preparing and will shortly file an amended August 2000 report which will correct the typographical and other errors that were made in preparing that report. As for the contribution to the House Democratic Campaign Committee, that committee is a non-federal committee. Therefore, the contribution to that committee should not have been reported on Line 23 of Schedule B. It should have been reported on Line 29 of Schedule B. This change will be reflected in our amended report.

If you have any further questions regarding these matters, please feel free to contact me.

Sincerely,

Orrin Baird
